

# **Duggan Park Report 2023**

Kaye Wood-Riley

We have 3 working groups at Duggan Park now to accommodate the new workers who have joined us. We continue to have AROCHA on the 3<sup>rd</sup> Saturday of the month and a small group are continuing on the first Tuesday morning of the month. We have added a new group on the 2<sup>nd</sup> Saturday of the month. Our new volunteers have joined us as a result of Tiffany Gessler who does bush school at Duggan Park. A Montesorri Day Care also does regular Bush school at Duggan Park.

We are continuing with the regular weed removal and are going to start weeding the block of land that connects the main park to Kara View Drive in the East.

A big thanks to Michael McGoldrick who continues to be an enormous support to me and our workers.
