

Echo Valley Bushland South Park 2024

Greg Lukes

Plan

1. On going weeding by FEP volunteers with some support from Australian Industry Trade College students where possible.
2. Prepare containment lines for controlled burns.

Council Request

1. When possible there is still more velvet tree pear to treat along the road reserve southern end of Ramsay Street Middle Ridge and in Echo Valley South Park across the road.
2. If possible a low intensity controlled burn (cool burn) in the area around the access gate.
3. Weed spraying along Ramsay Street followed by a low intensity controlled burn (cool burn)
