

Works prograPartnership Groups

Annual Works Program Form

Toowoomba Regional Council, Parks and Recreation Services Branch is requesting this form to be completed every financial year to outline a Partnership Group's proposed Annual Works Program(s) within Council controlled land (Bushland Parks). This form will require to be completed for each park where the Partnership Group proposes to undertake work.

No work is to be undertaken until an *Annual Works Program Form* has been approved by Parks and Recreation Services.

Section 1

1.1 Proponent Detail/s		
Financial Year:2024/25		
Name of Organisation: Friends of the Escarpment Parks Toowoomba Inc		
Name of Park Care Coordinator (if applicable): Hugh Krenske		
Address: 210 West Street,		
Postal Address (if different from above):		
Town / Suburb: South Toowoomba	Postcode:4350	State:QLD
Email address: hkrenske@gmail.com		

1.2 Location of proposed works	
Park Name:	Redwood Park
Park Address:	8878 Toowoomba Connection Road
Whole of Park	No ☐ Sections of Park Only ☐ (Please supply map of area/areas proposed – Council can assist)
Please provide a brief description of proposed activities?	Remove and/or control environmental weeds in the area of the dry rainforest eucalypt regrowth areas adjacent to the Grass Tree Track

Section 2

2.1 Invasive Plant Management
Targeted Pest Plant Species (Weeds of Priority from highest to lowest priority (1-10):
1. Madeira Vine
2. Cats Claw Creeper
3. Mother of Millions
4. Climbing asparagus
5. lantana
6. privet
7. velvet tree pear
8. tiger pear
9. brazilian nightshade
10. green panic
Others: coral berry, celtus, cobblers pegs, cadagi tree
Please list herbicides and associated equipment for invasive plant control (chemicals, knapsacks, water containers, wetter, diesel) that your group may require for this financial year. 5 x 20 litres Glyphosate (132.00 ea) - \$660 6 x 20 fluroxypyr (starane advanced) (\$627 ea) - \$3752 600 Litres Diesel Last year I spent about \$1200 1 x 15 litre Solo professional knapsack sprayers 25 x 500ml squirt bottles (4 ea) - \$100 20x secateurs (12.98) - \$ 259.00 10x pruning saws (8.69) - \$86.90 10 x cans Bushmans Insect Repellent (19.15) - \$191.50 10 pr leather rigging gloves (9.48) - \$94.80 <i>sauce bottles (for applying chemical to madeira vine ground tubers)</i> <i>5 litre plastic bottles (donated)</i> Note prices gained from previous purchases For all listed chemicals, please complete Weed Control Methodology table in Appendix 1.
How and where will ALL chemicals be stored during the year? All chemicals are stored in the chemical cabinet in the container in Redwood Park.
Will motorised equipment be used on this site? No ☐
If YES, are Association members trained in the use of this equipment? Yes ☐ No ☐ Details: _____

Section 3

[illegible]

Section 4
