These activities are part of our broader vision to *green the Toowoomba region* — increasing tree canopy, restoring ecosystems, and building a stronger culture of environmental stewardship.

Forest Action – Bunnings Toowoomba North

Date: Sunday, 27 April
Time: 9:00 am- meet at the front door.
Short, peaceful photo action with the Wilderness Society highlighting native forest logging concerns with Bunnings supply chain. Join us on the Bridge Street footpath — banners provided, and a koala suit if you're keen.

Each of these actions — whether it's picking up rubbish, planting trees, or speaking up for forests — contributes to a larger movement for a healthier, more resilient Darling Downs.

Hope to see you there.

Warm regards,

Ahri
