Explore God's invitation to care for Creation

Saturday, 7th November 2026
9:30 am – 3:00 pm

Highfields Library, Grey Gum room
32 O'Brien Rd, Highfields

Theology, creativity, time in nature, rich discussions, no cost, BYO lunch

Hi, I'm Dr Sally Shaw and as a Christian, educator and environmental advocate my passion is helping others care for the earth – as more than an environmental responsibility but a spiritual calling. Through a hands-on, faith-based workshop I invite you to explore ways to connect your faith with caring for creation. I'm looking forward to returning to Toowoomba where two of my three children were born while living here from 1996-2000.

By the end of the workshop, you will leave with:

- A renewed biblical understanding of creation care
- Personal creative expressions inspired by the natural world
- Practical ways to integrate earth stewardship into daily life and community worship
- A deeper sense of calling as caretakers of God's Earth.

RSVP sallyashaw@gmail.com **for catering purposes as morning tea will be provided**
Please bring a lunch dish to share (vegetarian if possible)
Bring appropriate clothing for an outside activity
